285 Book Reviews

304 Picture Credits

Cover: Cook Hall, named for John Williston Cook, president of Illinois State Normal University from 1890–1899, is the oldest structure remaining on the Quad of the campus. In the late 1950s, the original mission of the school—teacher education—was questioned by faculty, students, and the public. Daniel A. Clark's article on the transition of Illinois State Normal University begins on page 226.
